## Join IMAGINE and...

- **Meet** about 50 young people dedicated to the idea of social change
- **Share** ideas and experiences
- **Establish** new networks and talk about future projects

## AGENDA

The agenda is shaped by all of us: The participants, the speakers and content trainers. IMAGINE is a fusion of an inspirational atmosphere, reflective and open minded conversations and the inclusion of new ideas and last but not least the intention to take action:

**REFLECTION – INSPIRATION – ACTION.**

Therefore the agenda is to be understood as flexible and adjustable to the needs of the group.

If your application is accepted you will receive a little booklet for your preparation including some questions to reflect on your life situation at the moment. We will let you know by 3<sup>rd</sup> of October if you are accepted. At the time of arrival on the conference site there will be a little get to know and later on a world café for everybody to ease your way into the topic and to adjust the level of knowledge of everyone.

The second day will be dedicated to inspiration. We will introduce different speakers to the conference in order to provide you with a variety of biographies of people that actively work in the field of social change. You will be able to take part in three workshops. After a short introduction you can choose the workshop you would like to take part in. During the conference there will be lots of time for discussions and conversations. Since the conference will be bilingual German-English, you can choose the language of your workshop.

The third day will offer you the possibility to plan specific projects, network further and empower you to realize your plans and ideas.

Every idea is welcome and you will find a field in the application to let us know about your thoughts on this.

**PATHFINDER** - You can offer to organize a car or a bus to pick up other delegates from the train station and put them in the right mood from the very start? Then this is your choice!

**BON VIVANT** - The youth hostel will provide three meals a day. Your question to answer is: What else can we bring regarding good food and drinks?

**BOOKWORM** - You enjoy books and want to share your favourite ones? Please bring them along so that we can display them in a book's corner where other delegates can gather their thoughts, browse through the paper and exchange ideas.

**EVENING ENCHANTMENT** - You enjoy an inspiring atmosphere and you want to create a time and place where every delegate can feel at ease and dive into meaningful conversations? We are ready for your vibe, so bring it on.

**MUSICIAN** - There is a wonderful piano at the sight. You are a guitar player? Feel free to bring your sheet music and your guitar along.

**SPONSOR** - Do you know anybody who could provide financial or material support?
